

OLD PEOPLE EVERWHERE SAY

Peruna is good for Coughs,
Colds and Catarrah Diseases.

Suffered Forty-five Years.

Mr. J. R. Prince, 88, of Tuckahoe, N. Y., writes: "I am not very well satisfied with the picture that I am sending you, but when the reader looks at this picture if he could only know that the subject is nearly forty-five years, the best of his life until your kind advice and prescription cured him, he would know from whence these wrinkles came. Next month I shall be sixty-six years old."

Nervous Prostration.

Mrs. Martha Avery, 58, Graham St., Leominster, Mass., writes:

"Four years ago I had nervous prostration. I employed several doctors. One would say I had a catharrh of the stomach and bowels, another nervousness and another enlargement of the liver. My stomach was in a bad shape. There was nothing which seemed to do me much good."

"I tried other remedies, but did not gain any flesh until I commenced taking Peruna, which built me right up. I have taken several bottles, but have not taken any now for about six weeks."

"I am seventy-three years old. I never expect to be entirely well or young again, but I am thankful for what Peruna has done for me."

Felts Ten Years Younger.

Mr. Henry Merz, 1624 Upper Mt. Vernon Road, Evansville, Ind., writes: "When I first wrote to you I had bronchial trouble for four years, and had tried several doctors, but they could

EIGHT MULES DIE IN BLAZING SHED

Breaks Stolid Silence He Has Animals Are Penned in Burning
Mainained Regarding Polar
Controversy.

Benton Harbor, Mich., November 22.— Rear Admiral Robert E. Peary, of North Pole fame, to-day broke the North Pole冰 controversy and sent a letter to the "Daily News," in which he made a statement that he had been accused of being responsible for the death of eight mules in a burning building at Davis Brick Company's Southside Yards.

Eight mules were incinerated in a fire that destroyed a frame shed at the Southside yards of the Davis Brick Company last night at 9 o'clock. The building, which is located near Fourteenth and Main Streets, just beyond the corporate limits, in Chesterfield County, with its contents, was completely burned. The loss will reach an approximate total of \$2,500.

The origin of the fire could not be ascertained last night, although it is considered more than probable that the building was set afire purposely by vandals. It was located in considerable distance from any other shed on the grounds, and no fire was kept in any portion of the building.

When the alarm was turned in, Engine Company No. 13 and Truck No. 5 responded. The firemen had great difficulty in reaching the shed, which was a solid sheet of flame when they arrived. It was necessary to stretch 700 feet of hose to play one stream of water on the fire. Captain S. M. Chaste of Truck No. 5, owing to the absence of Captain Herman Cosby, who was off for the day, had charge of the fire-fighters.

The full extent of the damage is not known. The drivers could not be located and there is a possibility that more than the eight mules perished and it is thought that a horse was also burned. There was a large quantity of hay and feed in the building, which was totally destroyed.

Captain S. M. Chaste of Truck No. 5, who was in command of the fire-fighters, said that the mules had been

peeled off their heads and tails by the flames. The horses were found to be dead.

When the fire was discovered, Peary found his supplies guarded by two of Peary's party, and he not only took his own supplies, but was given a receipt. This receipt, says Peary, is now in the hands of a responsible party.

Trotting Acquitted.

Baltimore, Md., November 22.— Buck Trotting was acquitted by Howard Superior Court, Tuesday, of assaulting Charles Woodring with a pitcher in a hotel here, several months ago.

Woodring suffered a dangerous contusion of the skull and came near

dying. The trial was held before a jury of twelve western backsliders and ended in a hung jury.

Woodring, a well-known authority on the art of self-defense, excused the Trotting boy because he was overworked and was unable to get up and cause any trouble.
